

Jewellery Manufacturers
Federation of New Zealand
(Inc)

*What can we do for you and
the Jewellery trade?*

P.O. Box 44014
Point Chevalier
AUCKLAND

The Jewellery Manufacturers Federation of New Zealand (Inc) is in existence to promote the trust and understanding within the profession of manufacturing jewellers, and propagate, within the trade and externally, manufacturers' views with one strong voice.

All members are expected to abide by a standard of conduct and trade practice that will hold manufacturing jewellers above question in all matters.

Delegates are appointed by the federation to represent the profession in its dealings with the Government, its bodies, affiliated associations and service providers to the trade etc.

Our Aims Are:

To achieve, by mutual cooperation, a general increase in standards, good product design and presentation.

To lift the trade from 'secondary industry', to 'world marketing standards'.

To promote education within the trade in all its facets.

To foster jewellery as an art form both within the trade and externally, in schools. Art schools etc, by night classes and competitions etc.

To continue to reform the Apprenticeship system in conjunction with the Jewellery Industry Registration Board, so as to ensure the highest standards of workmanship.

The Federation is run by Elected Committees of Trade Members:

Meetings are on a monthly basis to discuss;

Members' queries and concerns.

New Developments.

Ways in which the Federation can help the Trade.
